

Dot-to-Dot in Order (Ages 8+)

Visual-Motor Integration · Ages 8+ · Foundation tier · Letters & angles · 5 minutes

HOW TO RUN IT

Connect the marks in order with one continuous line, pencil down the whole way. If the student loses the sequence, cover the finished portion with a card and restart from the last correct mark.

Connect the marks in order with one continuous line — do not lift the pencil.

THERAPIST RECORD
