

Size Scaling Targets (Ages 8+)

Visual-Motor Integration · Ages 8+ · Building tier · Letters & angles · 5 minutes

HOW TO RUN IT
Reproduce each printed form at the same size in the box beside it, working from largest to smallest. This is the paper companion to the on-screen pinch-to-size task.

Draw the same form again at each printed size — match the outline exactly.

THERAPIST RECORD
In corridor ___ of ___ trials Forms completed ___ / ___ Time _____ Cues (V / G / P) _____
Position: seated / standing / vertical surface Hand: R / L Stabilizing hand used: Y / N
Carryover: Copy one word or shape into a smaller box each day (large -> medium -> small).
