

Steady Trace Paths (Ages 3-7)

Visual-Motor Integration · Ages 3-7 · Challenge tier · Shapes · 5 minutes

HOW TO RUN IT

Trace each path at a steady, even pace while the adult counts one beat per marked segment. The goal is consistent speed inside the band, not the fastest finish.

Trace slowly and evenly — the adult counts a steady beat; one beat per marked segment.

THERAPIST RECORD

In corridor ___ of ___ trials Forms completed ___ / ___ Time _____ Cues (V / G / P) _____

Position: seated / standing / vertical surface Hand: R / L Stabilizing hand used: Y / N

Carryover: Trace one long continuous path (rope, tape line, worksheet path) before near-work.

Visual-motor control practice, not handwriting instruction. Score spatial accuracy (staying in the band, finishing the form), not legibility. Diagnosed or changing acuity, contrast, or field findings are referred; treatment is not paused while a referral is pending.
